

WIP: ISO 18626 Implementer's Conformance Table

Updated: 2021-12-20

Background

This is an experimental document that provides a template for a vendor's description of their product's ISO 18626 conformance.

This document is considered a Work In Progress.

Vendor Name: OCLC

Product Name: RelaisILL/D2D

Product Version:

Date Table Completed: 2021-12-16

Conformance Table

Key X = Fully supported

R = Receive only (ie We don't send this message, but we can receive it)

S = Send only (ie We can send this message, but we do not support receiving it)

Protocol Element		RelaisILL/D2D
